

## **Family Fun Xperience – FFX Video Audition Info**

### *Submissions Requested*

- *What is Family Fun Xperience?*
  - Family Fun Xperience (or FFX) is a newer theatre creating interactive production for families at the Oceanfront resort area in Virginia Beach.
- *What roles are being cast?*
  - We cast some roles for special productions, but most cast members are part of our ongoing troupe. Being in the troupe means playing a variety of roles in a variety of productions, from Pirates to Wizards to family members, sketch comedy, and improv shows, as well as holiday specials and murder mysteries.
  - Troupe members regularly attend rehearsals and make their schedule available for ongoing shows, but also have some flexibility to take on other short-term theatrical and film projects outside the theatre.
- *What do I need to include in my video submission?*
  - Please start by introducing yourself, plus tell us a fun story about growing up in your family.
  - Present 2 (two separate) one-minute monologues – 1 comedic and 1 dramatic. Both monologues should be clean and family-friendly.
- *Who should I send my video to?*
  - Please email all submissions to [careers@ffxshow.org](mailto:careers@ffxshow.org)
  - Include a copy of your headshot and your resume/bio.
- *What if I am more interested in technical or front of house positions?*
  - Please email your resume and positions you are interested in: [careers@ffxshow.org](mailto:careers@ffxshow.org)
- *When will I hear back about a callback or interview?*
  - Callbacks consist of being invited to a group callback or an ongoing troupe rehearsal
  - If you are invited back for a third time, you are considered part of the company and we will begin integrating you into the show in a paid role. Additional hours may be available for those interested in helping either behind-the-scenes or in ticketing or other customer service roles at the theatre.
- *Is this just a game?*
  - We do the kind of plays that people get to play along with, but we are serious about having some great local talent onstage for our locals and tourist seasons. We are a 501c3 nonprofit, but these are paid regular positions, and with the opportunity to make a greater impact on families.

You've read everything above, now it's your turn to show us what you've got!
